### **The Republican Party Endorses Bridget Ziegler and Karen Rose for School Board**

**SARASOTA, Fla.** (June 27, 2018) The Republican Party of Sarasota is endorsing parent Bridget Ziegler and educator Karen Rose for Sarasota County School Board.

“Bridget and Karen are a potent duo for bringing necessary change to the Sarasota County School Board,” said RPOS Chairman Joe Gruters. “Bridget is a parent with effective Board experience while Karen has a deep well of educational experience. Our schools and community would be well served by having them both on the School Board.”

Bridget Ziegler is currently Chairman of the School Board and offers fundamentally conservative leadership. Ziegler has been an effective change agent for school safety, financial accountability and school choice for students and parents. Her continued presence on the Board as a parent with experience is imperative for keeping the District moving in the right direction. She is running against a newcomer liberal Democrat.

She is running against an incumbent who is the only Democrat on the Board.
